4. Hot Lunch/Milk Program Update -
 - a. Last round of hot lunch and milk sales is May 18-25.
 - b. Friday June 24 last day of hot lunch and Monday June 27 will be the last day of milk.
 - c. Thoughts on bringing back milk tickets for next school year and having the grade 4 students hand out milk. Would cost the foundation less in all the printing of menus and less admin time with creating the monthly menus for ordering. If the lunch schedule (split lunches) is the same as this year we can still go with 1 volunteer. Will see what happens next year and adjust accordingly.
5. Fundraising Update -
 - a. Spellathon raised \$13,056. The winning classes were KLT, 1S, 2A, 3K and 4T. They are having their Dilly Bar party on May 17 at 1:30 pm. Prizes for all the kids to come out this week. Updates to next year's forms.... include spot for kids classroom and a note about any late entries run the risk of not being included in the classroom total or receiving prizes. We had quite a few late ones come in.
 - b. Pots & Pansies pick up is May 25. Will need a couple volunteers. Trying to have plants delivered for around 1:30. (Jamie will advise) Will give info to Linda on how many kids and what time we need grade 4's to help and she will organize with the grade 4 teachers for the kids to help unload the plants.

6. New Business -

- a. Hockey skates & helmets - Allison is working with Mr. Wahlen on the list of required sizes, etc.
- b. Gaga Pits - Linda to start the conversation with Sarge at PSD. Will probably need to wait to install until after some portable replacements. Thinking by the tarmac would be a good location. Will discuss more with Linda once she knows more about the plans for the school for next year.
- c. Volunteer evening get together - planning a night out at a restaurant. Everyone pay their own way.
- d. Year end carnival - hot dogs, water and freezies. Allison to see how many are still in the kitchen freezers. We will need volunteers to cook hot dogs (2), help put them together and deliver them to the classrooms (6). No milk offered on that day. Toresa is ordering the supplies and if we want popcorn we need to get volunteers and pop the popcorn the day before.
- e. Mr. Whalen to give exact list to Linda for track day that he is organizing on May 26th so we know how many volunteers are needed for setting up and running a concession and Linda will advise Allison.
